- C. Option C: Subscriber may select a carrier other than Company for the subscriber's interLATA toll carrier as the presubscribed carrier for intraLATA toll calls subject to presubscription; or
- D. Option D: Subscriber may select no presubscribed carrier for intraLATA toll calls subject to presubscription which will require the subscriber to dial a carrier access code to route all intraLATA toll calls to the carrier of choice for each call.

4.1.3. Rules and Regulations

- A. Subscribers will retain their current dialing arrangements until they request that their dialing arrangements be changed.
- B. Subscribers may select either Options A, B, C or D, above, for intraLATA presubscription.
